MIGHTY OAKS

NEVER FIGHT ALONE

MIGHTY OAKS FOUNDATION

Saving Lives. Restoring Families. Changing Legacies.

WHO WE ARE

Mighty Oaks Foundation is a Christ-centered nonprofit dedicated to restoring hope and transforming the lives of America's military service members, veterans, first responders, and their families.

We believe that no Warrior should fight life's battles alone. Through faith in Jesus Christ, authentic relationships, and a renewed sense of purpose, we equip Warriors to overcome life's challenges, strengthen their families, and build legacies that impact generations.

WHAT WE DO

Mighty Oaks provides faith-based, peer-led programs designed to address the unique challenges faced by those who serve and have served our nation.

Our Legacy Programs bring Warriors together in an environment of trust, accountability, and brotherhood, where they are challenged to confront the struggles of their past, rediscover their God-given purpose, and develop the tools to move forward with strength and resilience.

Through our Legacy Programs and Resiliency Events, we equip Warriors with the biblical principles, practical tools, and lasting relationships necessary to navigate life's challenges, restore broken relationships, and lead lives of purpose.

Our mission goes beyond helping Warriors survive. We are committed to helping them thrive and change the trajectory of their families for generations to come.

SUPPORTING THE MISSION

For the 22 is independently raising funds in support of Mighty Oaks Foundation and the Warriors and families we serve.

Every dollar donated to Mighty Oaks through this fundraising effort helps make our life-changing programs possible, providing Warriors with opportunities to find hope, experience restoration, and discover renewed purpose.

Your generosity does more than support a program. **It invests in a Warrior, strengthens a family, and helps change a legacy.**

Together, we can ensure that more Warriors have the opportunity to experience the life-changing message that they never have to fight alone.
